بتيت تاكسي صغير ومزيان اركب وسير فالأمان

Petit taxi, small and good, ride and go in safety

بتيت تاكسي لقيته من بگري رافد ناس فرحان ويجري

يوصلهم لاحبابهم يمشي ويطير غادي زربان

Petit taxi, I found it early. It picks up happy people and runs
It delivers them to their loved ones. It goes and it flies, moving fast

بتيت تاكسي يمشي كيف للاكبار دايز بـكُل زنقة ودروبة صغار
يلعب بهم هو جتّهم روحنا وروحة فيد الضمان

Petit taxi goes just like the large, passing by every road and small alley
It plays with them, it's their heaven. Our soul and its soul are in the hand of security

بتيت تاكسي كيقرب البعيد تامانه مرفق ما يقول لك شي زيد
حد ما يلوم تامان مرسوم خلص قليل وسير فرحان

Petit taxi brings the distant close. It's price is reasonable and it won't say "get out of here"
No one blames the regulated price, pay a little and go happy

بتيت تاكسي مشغور عند الناس العدد والتاج الصفّر فوق الراس
يغفلهم ويقول لهم عمّرت وسدّت البيبان

Petit taxi is famous with the people. Many gold crowns are upon its head
It ignores them and says to them. "I'm filled and shutting the doors"

بتيت تاكسي الليلة نغني عليه هبت قدامي وقت ما نبغيه
وحبيبي تقول حلّ لي الليل يطول بتيت تاكسي شاد الميزان

Petit taxi, tonight we sing of it. It came before me when we wanted it
And my love said "Let the night be long." The petit taxi shut off the meter
